MEMORANDUM

DATE: January 9, 1996

SUBJ: SIP for Covitch/ATF Davidson (aka The Shop at Whitinsville)

FROM: Nancy Smith *NS*  
Site Assessment Manager

TO: Jocelyn Boesch  
Weston START

I spoke with Mr. Matt Eichler representing White Consolidated Industries, a former owner of the above property. Apparently White Consolidated Inds. still retains some responsibility with regard to environmental problems at this site, and wishes to be involved in our investigation. We sent an access request letter to Mr. Jolles of the Shop at Whitinsville (the current site manager), and he forwarded a copy to Mr. Eichler.

I explained that due to EPA's budgeting problems, this project is currently on hold. I promised that any future communications we have with Mr. Jolles will also include Mr. Eichler, and that when we arrange a date for the site visit, we'll consult Mr. Eichler in our scheduling so that he'll be able to participate. He has promised to look up any files they have, including some old environmental data, etc. and to make them available to us. Mr. Eichler's phone number is: (603) 431-4899. His mailing address is:
